## FOREWORD

From the Working President  
Bharat Lok Shiksha Parishad

“

Ekal Abhiyaan was established with the vision of an educated, healthy and Samarth Bharat. Bharat Lok Shiksha Parishad is selflessly associated with completing this noble cause. The work of providing opportunities to the infinite possibilities of rural and tribal Bharat and taking it towards ultimate glory through education is being done by Ekal.

Ekal Abhiyan has been striving for this noble cause for the last so many years, Bharat Lok Shiksha Parishad was established to bridge the gap between Nagar and Gram and is working to revive the glory of rural Indian society.

Education is the only medium which causes both destruction and construction, if education is used in positive direction, then it is constructive work and if education is used in negative works, then it becomes destructive. And it is a matter of pride for us that Ekal is moving forward in a positive direction and doing the work of nation building. For this, all of you should come forward and become participants in this mass movement to build an educated India.

”
